

Steel Horses

It's great to ride,
even better with
like minded souls...

“The objects of the club
are to encourage members
to regularly meet,
ride and join together
for social enjoyment.”

From postmen to professors...

We don't care what you do for a living or what colour socks you choose to wear...

We're the premier social motorcycle club in Brisbane, offering member riders and their pillions fun weekly rides and weekends away.

Each weekend our experienced Ride Captains will take you on fantastic road trips throughout the South East and beyond.

We head off from our designated meeting points in the north, south and west of Brisbane. Rides vary in length so you can choose the ones

that suit your comfort zone. These can be previewed on our web site:

www.steelhorses.com.au

Simply let the Ride Captain know you're coming so we can keep an eye out for you.

Yes, we are an Incorporated Club and we do have a monthly meeting, ride rules and regulations. These are in place primarily for the safety of the members.

Our only other prerequisite is that Members must ride a Cruiser or Tourer Motorcycle.

Got some questions?
