## Grumpy's Grumbles

Hi all and welcome to the  
October Newsletter.

The AGM has come and gone  
and as you all know I'm the new  
president for this year. So firstly I  
would like to thank Rowdy for his  
previous years of activity in the  
committee as president and G.M.  
Without members who dedicate  
themselves to these roles this  
club wouldn't exist. Also I would  
like to thank the committee  
members who stayed on for all  
they have done in the past and all  
they will do in the future.

So, heading into our fifth year for  
the Steelhorses, and I think I it's  
going to be another great year for  
us! We seem to be growing  
steadily and going by the great  
rides we had last year, this  
should be another good one. I  
would also like to thank my fellow  
Ride Captains for their great  
effort.

On a sadder note, thank you and  
goodbye Cosmo you will be  
missed always. I enjoyed your  
rides - hope whatever you do in  
the future brings you happiness.  
Thanks mate.

Things to look forward to in the  
coming year so far are Ynot's  
midweek ride which is next week  
and Christmas in July at  
Bowraville. Due to its great  
success, this weekend away is to  
be an annual event. If anybody  
has any ideas for weekends away  
or long weekends please bring  
them up at the meetings, the  
earlier we organise away rides  
the more chance we have of  
getting more members to go so  
get in early with your ideas.

I would like to thank Mac for  
taking on the merchandisers' role.  
As time goes on Mac will be  
bringing new ideas for  
merchandise to the club, so  
anyone who has any ideas for  
merchandise bring it up at a  
meeting and Mac can do his  
thing and get back to us if it's  
possible or feasible.

Ride a nice day

Cheers

Grumpy

## South Ride October 13th

Hi all,

I got to BP Yatala with some of the crew already there sipping on coffee and by 9 o'clock we were good to go.

We had,

Pyro & Phoenix  
Sarge & Sugar  
Grumpy & Angel  
Jak  
Ace  
Yogi  
Princess.

8 Bikes is a pretty good roll up at any time, and after almost being accosted by a stylish group of elderly ladies, I was ready to lead the troops on our daily adventure.

We headed out on our usual route through Tamborine village, with our first bum rest at Beaudesert. Yogi and Princess decided to top up with fuel while we had a chin wag, as Princess's Virago doesn't have a very long range fuel tank.

We saw quite a few large groups of BikERS throughout the day, probably all determined not to be intimidated by the proposed new laws (that aren't in yet). we headed off to Boonah, and it was my intention to drop in to Ned Kelly's for a look until Sarge told us that it was closed. What a pity. It was always a good place to drop in on, but obviously too many people dropped in but didn't spend enough money, so instead we went to the Boonah pub for a cold drink and a rest.

From there ,we went to Rathdowney, turned right towards Woodenbong where gave the sign for anyone to leave the ride. We had all agreed to

meet at the turn off to Kyogle, then turn around and do the same bends again heading back to Rathdowney.

Unfortunately for us (Princess, Me and Yogi) we got stuck behind some A/H who just wouldn't pull over and let us go. anyway, once back in Rathdowney we all had a very nice lunch and a pretty long spell.

Princess had organised the publican to do up a sig saying "happy anniversary, Yogi" which was brought out as a place mat for yogis lunch. THEN he finally remembered.

We eventually headed off back to Beaudesert where we all fuelled up and said our good byes and went on our merry individual ways.

Another lovely day riding with a great bunch.

Cheers

**Steiny**

## Event Calendar

Where it says ***“Member's Choice”***, we would like you to volunteer to lead a ride along your favourite roads.

If you want to suggest the route or even take the Ride, email the relevant Ride Captain at least two weeks before to let him/her know the meeting point (you decide), the route, the distance, and approximate ride duration.

If everything is OK, the Ride Captain will approve it and let you know ASAP.

When the Ride Captain lets you know,

you **MUST** then email all members to give them advanced notice of the ride details. (if you can't do that, ask the Secretary to do it ASAP)

If you are a Rider or a Pillion **YOU** should then lead the ride.

If nobody volunteers, the relevant Ride Captain will take the ride as usual.

You must phone the relevant Ride Captain by 7.30 pm the night before a ride to confirm you wish to do that ride.
