Motorcycle

BEWARE MOTORCYCLE ENTHUSIAST DISEASE

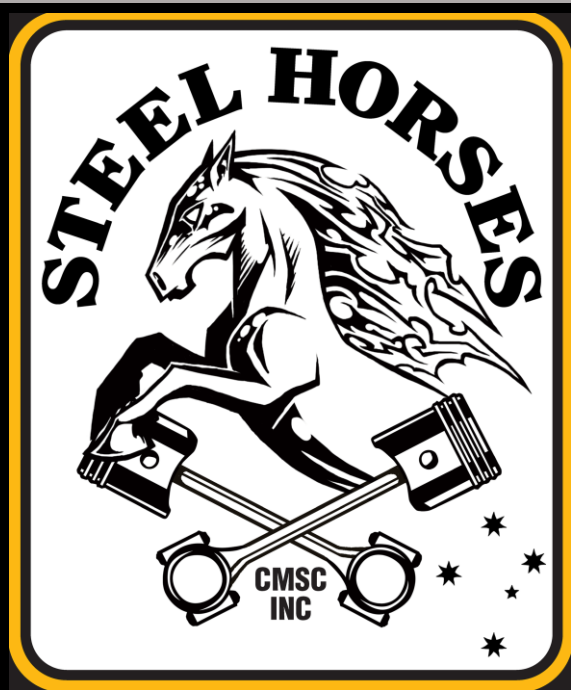

HIGHLY INFECTIOUS TO MALES OF ALL AGES

THE SYMPTOMS : The sufferer becomes confused and bewildered when not near a motorcycle . Will be observed wandering around with blank expression , muttering strange words . Rapid rise in temperature at the sight of a motorcycle . Behaviour then becomes very erratic:much rushing about and waving of arms.Foaming at the mouth is not unusual. The patient spends much time and money at motorcycle shops. Seems not to notice "normal" people.

THIS CONDITION IS NOT FATAL

THE TREATMENT : The patient must be kept well supplied with items of motorcycle interest . Should be encouraged to go on motorcycle tours and to motorcycle gatherings where he can meet lots more victims of the illness and exchange ideas with them . Friends and relations can aid recovery by talking constantly about motorcycles. In case of an emergency take the patient to the nearest motorcycle race meeting or motorcycle event.

ROWDY'S RANT

THE PRESIDENTS REPORT

Hi everyone and welcome to the February Newsletter,

Ok it's February and it's hot, is it hotter than usual? I think so and judging by the bush fires I'd say some of you may agree, which leads me to the question of 'what to wear when it's hot'?. It's difficult to find a balance between having some protection and trying to stay cool. Having a jacket, jeans, good gloves and boots should be the minimum but you're going to be uncomfortable during summer, still it's better than the dirty looks from the staff at the hospital where someone was admitted wearing a t-shirt, shorts and thongs.

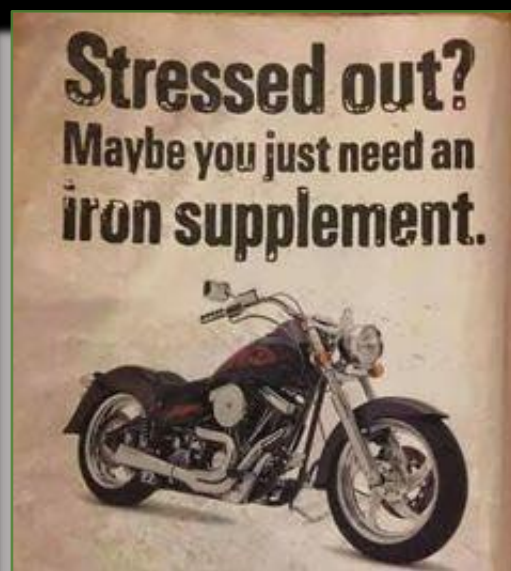

Pyro has a ride weekend to Tenterfield on the 18-19th of April and the weather will be perfect, leaving from Yatala at 8am and staying the night at the Tally Hoo Motor Inn. Contact Pyro or the committee to book a place.

ANZAC day will be discussed at the February meeting and breakfast venues after should be finalized. Also there are rumblings of a movie night around March so come along to the Feb meeting and get all the details.

On behalf of the club "thanks" to Roach and Hippy for inviting us to their Australia day event. Great company and food, enough to feed Queensland all week.

Cheers all,

Rowdy

At Goodna Maccas I met up with Mac, Ace, Pyro, Phoenix for breakfast and Winnie and Worker came down to say hi. Michael with a Harley Street Glide joined us as a visitor. We said goodbye to Winnie and Worker and headed off through Boonah, past Moogerah Dam to the Kalbar pub for a break. It was cloudy but all dry roads through till lunch.

The second part of the ride was out through Roseville and Lowood then on to the Fernvale pub (next to the bakery) for lunch. The pub had \$15 lunch specials which were all good and great value. After lunch we chatted for a bit then said our good-byes to Pyro, Phoenix and Michael.

Mac, Ace and I decided to ride home over Mt Glorious. All was dry and fine till the turn off to the mountain where we stopped to put on wet gear. It started pouring as we stopped and when we took off it only rained for a few minutes but the wet roads slowed down our ascent of the mountain. We stopped for a chat and a drink at Mt Glorious cafe then headed home over mainly dry roads. Another great day on the road.

Cheers

Club Meeting

21 January 2020

We had 10 members - Rowdy, Phoenix, Drastic Benelli, Pyro, Jak, Ace, Scouse, Hippy & Roach were in attendance. We celebrated another 2 birthdays tonight. Happy birthday Benelli for 15th Jan and Happy Birthday to Ace for 23rd Jan. Thanks Jak for donating the raffle prize. Thanks Rowdy for drawing our number.... yay we won the raffle again

Cheers Roach

South Ride to Canungra 26 January 2020

Hi all, Pyro here,

Today being Australia day I was not expecting a large turn out for our ride and also being an early start off a good turn out was not likely. Phoenix and I arrived at BP Yatala about 6.30 am filled up and got a coffee and waited for anyone to show, as it turned out Phoenix and I were on our own. We left the BP after revising our ride route to Canungra for breakfast and then after we went around Beechmont which was quite cool at times and was a little wet at the beginning but then it was dry and a good temp for a nice relaxing ride around the mountain. We came down the far side near Advancetown and after asking Phoenix if we could go over Springbrook and getting a load NO in my ear we headed for the freeway and up towards home. It was on the freeway where we rode through a few showers all lasting just a few minutes each but were very welcomed as the temp was getting up there. We arrived home just on 10.00am and proceeded straight to our rumpus room and the air con. The ride today was always going to be short so we could make the Australia day shindig at Hippy and Roach's which was as usual was a fantastic doo.

Hope to see you on the next one.

Australia Day Celebrations

26 January 2020

Photos by Princess, Benelli & Roach

We set up the decorations on Saturday for our event with everything in place by 8pm. Sunday morning just after 8.30am the heavens opened up, dumping A LOT of rain and drenching some of our setup.... bummer. Lucky we were having an afternoon event cause by 1pm everything had dried out and we were ready to receive guests.... phew....

A 2pm kickoff we were joined by Steiny, Rowdy, Jak, Benelli & Barb, Mac, Pyro & Phoenix, Scouse & Chris, Ace & Yuko, Rob with son Jackson, Princess & Yogi plus our friend Steve.

A few nibbles were enjoyed up until 4.30ish then Hippy cooked up a storm on the bbq, with kiwi fried bread going down a treat, followed by satay chicken kakab sticks. Thanks to our guests who brought along lots of yummy goodies too for the group to share. Yuko, your Mexican dip was scrumptious, nom,nom,nom :)

After dinner there were 2 birthday celebrations . Happy birthday to Chris for 26th Jan (Aussie Day) and to Barb for 27th Jan. We had a sing'a'long and cake to celebrate our lovely ladies birthdays, followed by dessert.

Thank you everyone for joining us in our 'Straya' Day celebrations. A fantastic way to spend the day with such a great group of people.

Cheers

North Ride to Mooloolaba

Visitor - Michael

TEC:
Mac

Photos by:
Ace

I arrived at 8ish to find Jak & Mac having breaky. We had a visitor, Michael, along for the day too. Mac took up the TEC position and off we went. Headed through Albany creek to Clear Mountain. Around through back roads of Armstrong creek into Dayboro. Over Mt Mee to a new (to us) little coffee stop (pics) just before Diagular Pub called the place to be.

From there we headed through Woodford to Peachester then over Bald knob road toward Montville and turned down the range to Palmwoods on the Palmwoods Montville road, then through Eudlo along some back roads, Chevallum Rd to Dales Rd to McGilchrist Rd and onto Lilly rd. Very nice back country through those. We did hit a small 200m stretch of dirt road work but it was solid.

We crossed the Hwy up through Mons, Buderim and down to the Mooloolaba spit for some fish n chips.

Straight back down the Hwy to the BP for a chat and goodbyes.

Cheers

Description

Save the app that could save your life. 'Emergency +' is a national app developed by Australia's emergency services and their Government and industry partners, helping people to call the right number at the right time, anywhere in Australia. The app uses a mobile phone's GPS functionality so callers can provide emergency call-takers with their location information as determined by their smart phone. 'Emergency+' also includes SES and Police Assistance Line numbers as options, so non-emergency calls are made to the most appropriate number. When calling Triple Zero (000), remember to stay focused, stay relevant, and stay on the line.

Before you call, ask yourself:

- * Is someone seriously injured or in need of urgent medical help?
- * Is your life or property being threatened?
- * Have you just witnessed a serious accident or crime? If you answered 'Yes' to any of these questions, call Triple Zero (000). Triple Zero calls are free.

QUEENSLAND'S ORIGINAL MOTORCYCLE RWC MOBILE INSPECTION SERVICE

FREECALL 1800 BIKE RWC

1800 245 379

[Safety Certificates](#)[Pre Purchase Inspections](#)[Minor Repairs](#)[Service Area](#)[Testimonials](#)[FAQ](#)[Contact](#)

Queensland Safety Certificates

If you're buying a used motorcycle you need to ensure there's a current Queensland safety certificate displayed. A safety certificate identifies the authorised inspection station (AIS) that's issued the certificate, and it must be displayed on the motorcycle from the time it's offered for sale.

If you're selling a registered motorcycle, you'll need to obtain and display a Queensland safety certificate from the moment you offer the motorcycle for sale.

What is a safety certificate?

A safety certificate's issued after a motorcycle passes an minimum safety standard inspection. A safety certificate covers basic things that could affect the safe operation of the vehicle, including:

- tyres
- brakes
- steering
- suspension
- rust or damage
- lights

The safety certificate offers buyers better protection and makes sure vehicles being offered for disposal or being re-registered are safe - reducing the likelihood of crashes caused by defective vehicles.

When is a safety certificate required?

You're required to display a safety certificate on any registered motorcycle from the moment you offer the vehicle for sale, including when you:

- list the vehicle for sale online; or
- place the vehicle in public offering it for sale; or
- ride the vehicle while displaying a sign such as *For Sale - Phone 1234 5678*

Note: You're required to obtain and display a safety certificate on a registered motorcycle when it is being offered for sale, even if you plan cancelling the registration when the motorcycle's sold.

Unregistered second hand and registered interstate motorcycles must have a safety certificate as part of the Queensland pre-registration process (unless exempt).

Safety certificates must be displayed on a motorcycle in a conspicuous place, i.e. front forks or guard.

Failure to display a Queensland Department of Transport and Main Roads Safety Certificate on the motorcycle from the time it's first offered for sale can carry an on-the-spot fine penalty of \$550.

When is a safety certificate not needed?

Selling a motorcycle without a safety certificate

Motorcycles that are unregistered or are traded to, or between, licensed motor dealers do not require a safety certificate. Motorcycles can still be sold for parts but they must be de-registered before being offered for sale.

Transferring a vehicle without a safety certificate

You don't need a safety certificate if the motorcycle meets one of the exemption criteria. Some exemption situations may include:

- the disposer being in an exempt area
- a beneficiary of a deceased estate
- between spouses, including separated spouses
- remote locations

For more information on exemptions, phone 13 23 80.

How long are safety certificates current for?

The time a safety certificate is valid for varies depending on who is selling the vehicle:

- licensed motor dealers: certificates are valid for 3 months or 1000km (whichever comes first) from date of issue
- all other sellers: certificates are valid for 2 months or 2000km (whichever comes first) from date of issue

The same safety certificate can be used to register an unregistered vehicle and to transfer the registration of that vehicle, provided it is within the limits set out above.

A new safety certificate is needed each time you sell the vehicle even if it is within the limits above. A single safety certificate cannot be used for two transfers.

Who issues safety certificates?

Safety certificates can only be issued by approved inspection stations. **Motorcycle Roadworthys** is an approved inspection station and will travel to your home, your place of work, or wherever your motorcycle happens to be to undertake an inspection and issue a safety certificate.

Minimise the chance of your motorcycle failing first inspection

A failed safety certificate inspection is inconvenient and time consuming, and more often than not it's only minor and easily rectifiable faults that prevent a pass; faults you could've identified and fixed prior to inspection.

For a better understanding of what a vehicle inspector looks for and to help identify possible reasons for inspection rejection, visit www.safetycert.info to access the *Queensland Department of Transport and Main Roads Code of Practice - Vehicle Inspection Guidelines*.

Although vehicle inspection is subjective and inspection guidelines are open to varying interpretation from inspector to inspector, if you follow the guidelines section by section whilst carrying out your own inspection, you should be able to identify and remedy any existing faults prior to a safety certificate inspection.

ANZAC DAY 2020

The *Vietnam Veterans and Veterans MC* are having an ANZAC Day Dawn Service around their Cenotaph in the grounds of their bunker at 132 Meakin Road, Kingston on Saturday 25th April.

As we've done on ANZAC Day in previous years, Steel Horses will be attending as a group.

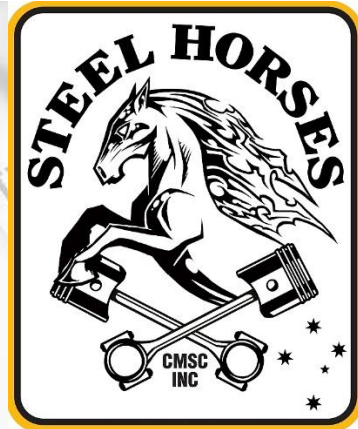

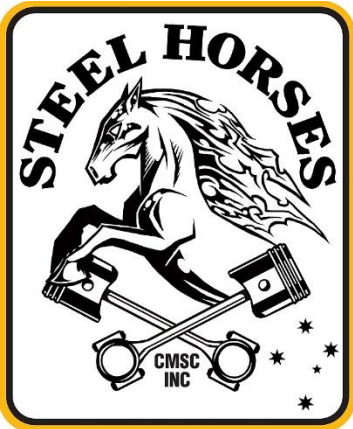

Steel Horses members that are attending are to meet at McDonalds at Calamvale (678 Compton Road, Calamvale) at 4.30 AM (or earlier if you want coffee and such). We will leave McDonalds at 4.45 AM sharp and ride off to the bunker. Don't be late!

The Vietnam Veterans and Veterans MC's ANZAC Day Dawn Service is a very moving event, and one that definitely shouldn't be missed.

During the service, Steiny will be laying a wreath on their Cenotaph.

After the ceremony, we'll have a breakfast that the club will be providing all the food, etc.. Venue to be confirmed

**"They shall grow not old, as we that are left grow old;
Age shall not weary them, nor the years condemn.
At the going down of the sun and in the morning
We will remember them."**

BOOTS, ROACH & WORKER

are having their birthday in February!

Personality traits of Aquarians (Jan 21 to Feb 20)

Firstly, you can't tell an Aquarius anything – they already know! In fact, they are the know-alls of the zodiac. They are original, inventive and very smart. They are very peculiar in the way they dress. Wearing football socks with a suit could be quite normal! They are nearly always late arriving anywhere because time means nothing. The telephone is their lifeline so they would rather ring their next-door neighbour than fraternise over the fence. They are so friendly even the dog down the street will find its way to the Aquarius house...and stay. <http://www.kellystarsigns.com/star-signs/aquarius/>

Codewords are like crossword puzzles - but have no clues! Instead, every letter of the alphabet has been replaced by a number, the same number representing the same letter throughout the puzzle.

All you have to do is decide which letter is represented by which number!

To start you off, we reveal the codes for three letters.

With these letters filled in throughout the puzzle, you'll have enough clues to start guessing words and discovering other letters.
